PAYMENT POLICY

For all cosmetic patients during your visit, you will be given a fee estimate for your proposed aesthetic procedure(s). This quote will include fees for the Surgery Center and fees for the Anesthesiologist, as well as any special equipment fees or assistant fees. Please note that Dr. Raffi Hovsepian’s portion of the quote is good for 90 days only. If you choose to schedule the procedure more than 90 days in the future, it is possible that the fee will be different than the original quote. The Surgery Centers control their own fee schedules, and may increase their fees at any time. Payment for surgery may be made by cash, major credit card, cahiers check, or personal check. We also offer patient financing through Care Credit. Payment of non-surgical treatments such as Botox® Cosmetic, fillers, etc. are made at the time of service by cash or credit card; we are unable to accept personal checks for these treatments. At times, a revision or “touch up” procedure may be desired. Should that be the situation, you the patient will be responsible for additional fees including but not limited to Operating Room or Anesthesia.

In regards to procedures that may or may not be covered by medical insurance, there may be situations in which part of your surgery would be considered functional or medically necessary. In that case, your insurance may pay part of the surgery fee. Dr. Raffi Hovsepian is not affiliated or listed as a provider on any insurance company. If the surgery center is a Preferred Provider and accepts your procedure under insurance, you will be responsible for your deductible and co-payments for the operating room & anesthesia, as well as payments for the cosmetic portion of your procedure. **Purely cosmetic services will not be billed to any third-party insurer.**

Dr. Hovsepian is not responsible for refunding any surgical fees or rescheduling fees that result from a patient’s non-compliance. The failure to follow pre-surgical instructions includes: nicotine, alcohol, or drug use, failure to avoid or to take specific medications as instructed, and failure to follow day of surgery instructions. Any surgical procedure rescheduled by the patient less than fourteen days prior to surgery or as the result of patient non-compliance, will incur a surgeon’s rescheduling fee; this does not include fees that may be charged by the surgical facility. All fees must be paid prior to confirming any new surgical date.

**Should you pay for your procedure with a credit card and then for any reason receive a credit, this credit will reflect a usage fee of 5% of the initial amount charged, due to usage fees that have been assessed to our account by the credit card company to process the initial transaction. Our office requires a non-refundable $2,000.00 scheduling fee to guarantee your surgery date and time. Surgery fees are due in full 21 days before your surgery date. There will be a $2,000.00 fee if you cancel or reschedule your procedure up to 14 days of your procedure. This fee increases to 50% of your surgery fee if you cancel between 8 and 14 days of your procedure. If you cancel within one week (7 days) of your procedure, you will forfeit 100% of your surgery fee. These penalties do not apply to illness related cancellations where a Doctor’s note is provided. If a check is returned from the bank, the patient will be responsible for the amount of the check plus a $50.00 processing fee.**

We encourage you to contact our office staff for any questions that you may have, so that this policy may be clarified for you prior to scheduling any procedures. We have found that most patients are pleased to have all details known prior to scheduling.

**Statement of Financial Responsibility**

“I, the undersigned, have read the above and understand that I am responsible for all medical and surgical charges incurred by myself or my dependants. I authorize the release of any medical information necessary to process any claims that are processed on my behalf by the office of Dr. Hovsepian. I understand that my medical insurance contract is between my insurance company and myself and that the failure of the insurance company to pay my claim does not absolve my financial responsibility to Dr. Hovsepian. All court and attorney fees or other fees associated with the collection of my account are my financial responsibility.”

Dear Patient,

Welcome to Raffi Hovsepian, M.D. Aesthetic Plastic Surgery. We hope to provide you with the care and service that you expect and deserve. Achieving your **best possible health** requires a “partnership” between you and your doctor. As our “partner in health”, we ask you to participate in your care in the following ways:

**I Will Keep Follow-up Appointments and Reschedule Missed Appointments**

I understand that my doctor will want to know how my condition progresses after I leave the office. Returning to my doctor on time gives him the chance to check my condition and my response to treatment. During a follow-up appointment, my doctor might order tests, refer me to a specialist, prescribe medication, or even discover and treat a serious health condition. If I miss an appointment and don’t reschedule, I run the risk that my physician will not be able to detect and treat a serious health condition. I will make every effort to reschedule missed appointments as soon as possible.

**I Will Contact the Office When I Do Not Hear the Results of Labs and Other Tests**

I understand that my physician’s goal is to report my lab and test results to me as soon as possible. However, if I do not hear from my physician’s office within the time specified, I will contact the office for my test results.

**I Will Inform My Doctor if I Decide Not to Follow His Recommended Treatment Plan**

I understand that after examining me, my doctor may make certain recommendations based on what he feels is best for my health. This might include prescribing medication, referring me to a specialist, ordering labs and tests, or even asking me to return to the office within a certain period of time. I understand that **not** following my treatment plan can have serious negative effects on my health. I will let my doctor know whenever I decide **not** to follow his recommendations so that he may fully inform me of any risks associated with my decision to delay or refuse treatment.

Thank you for your partnership. As our patient, you have the right to be informed about your health care. We invite you, **at any time**, to ask questions, seek an explanation, report symptoms, or discuss concerns. If you need more information about your health or condition, please ask.
